CHEMICAL PEELS

A cosmetic treatment that removes the top layers of dead surface skin cells, leading to visibly improved appearance.

A course of six treatments is recommended for most effective results.

Initial peel \$200 (includes your post-treatment care pack). All peels thereafter are \$145.

Medik8 offers a wide range of peel treatments to suit everyone. They are specifically designed to treat different skin concerns and deliver visible results.

REWIND

Suitable for everyone and any skin concern, it visibly brightens, smoothes, decongests and revitalises the skin. Ideal for a first time peel or to maintain results from other peels.
